BUCERIAS

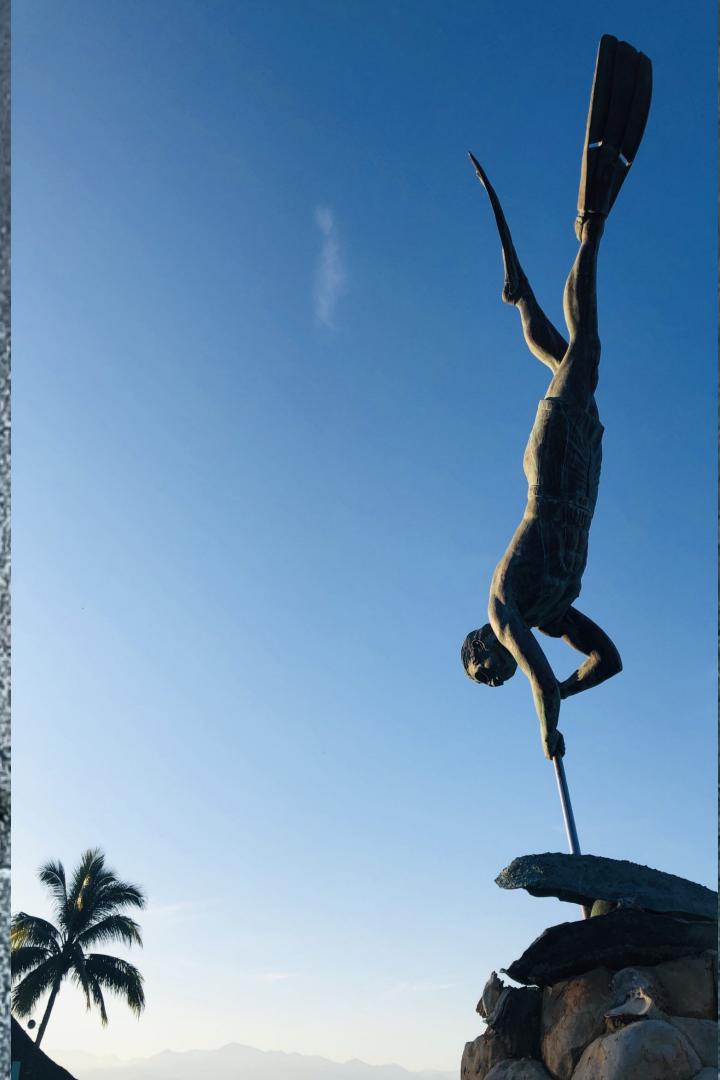

Zona Dorada, Best Real Estate

A beautiful beachfront neighborhood with great shopping and dining.

The desirable Zona Dorada (translated to English as the Golden Zone) of Bucerias is at the south end of town in the same neighborhood as the Royal Decameron complex. The Zona Dorada neighborhood in Bucerias is a vibrant and sought-after beachfront area set in the Riviera Nayarit. Famed for its golden sandy beaches, crystal-clear waters, and warm tropical climate, the Zona Dorada offers a picture-perfect setting for both locals and expats alike. The neighborhood is a dynamic blend of traditional Mexican culture with modern amenities woven in. That creates a quaint atmosphere filled with boutiques, art galleries, and delicious dining options lining its cobblestone streets. With its postcard-worthy ocean views, peaceful ambiance, and fun things to do, this is a vacation destination that captures all with its easy, upscale living. There is a range of activities to do, both in and out of the water, and even cultural excursions. The Zona Dorada captures the essence of coastal tropical living.

Easy amenities are what make living in paradise fun. The Zona Dorada is just minutes away from major grocery stores like Mega, La Comer, and Chedraui. There is also a bevy of restaurants, banks, pharmacies, medical facilities, and fitness centers all within minutes of the Zona Dorada. Additionally, this area boasts one of the loveliest stretches of beach on the Pacific Coast of Mexico – eight miles of sand along the usually calm waters of the Bahia de Banderas. Water temperatures in the Zona Dorada usually range from 75F to 85F(24C to 30C) throughout the year. The ocean here is perfect for boogie boarding, body-surfing, sea kayaking, parasailing, and kite surfing. Surfers can enjoy several good breaks further north along the bay.

One of the biggest draws of the Golden Zone is its proximity to the ocean. Many residents love to spend their days walking along the beach, swimming in the crystal-clear waters or simply relaxing under the sun. The area also boasts a lively boardwalk, where locals and tourists alike can enjoy stunning views of the bay while taking a leisurely stroll.

For those looking to stay active, there are plenty of options. Bucerias is a bike-friendly town, with many locals opting to cycle as their primary mode of transportation. The town also features several gyms, yoga studios and fitness centers for those looking to stay in shape.

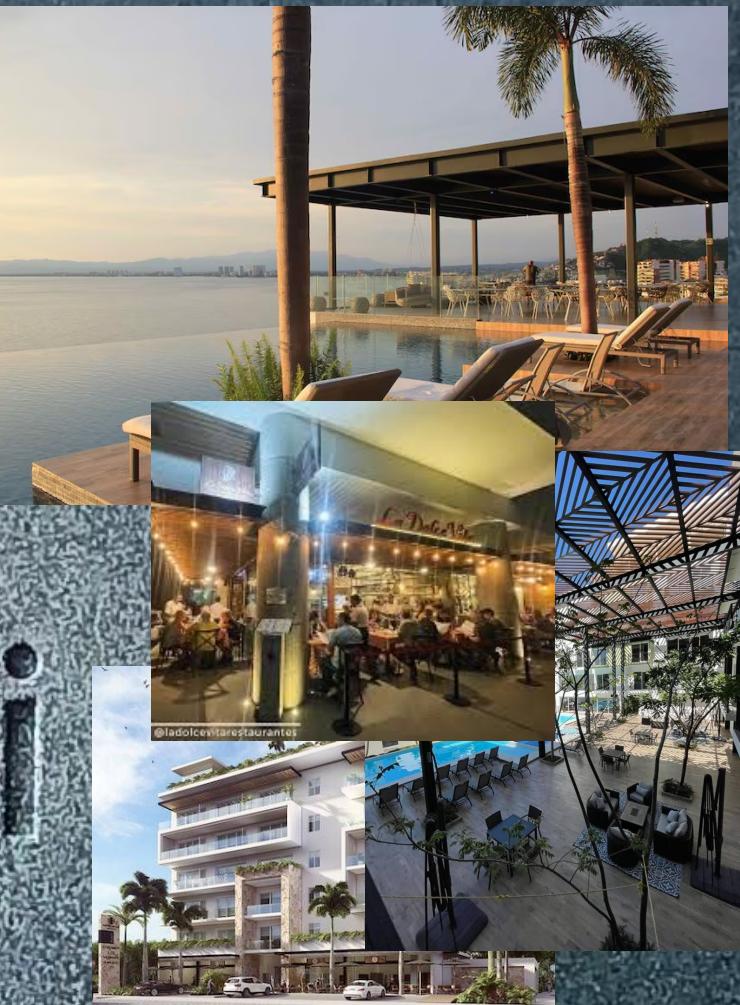

In the evenings, the Golden Zone comes alive with an array of bars, restaurants, and nightlife options. Many locals enjoy gathering with friends for a drink or a meal while taking in the lively atmosphere. The community is made up of a mix of Mexican locals and expats from all over the world, creating a diverse and welcoming atmosphere. Many expats choose to live in the Golden Zone for its proximity to the beach and vibrant community, while others see it as a smart investment opportunity. Whether you're looking to make Bucerias your permanent home or simply spend a few months a year in this beautiful town, the Golden Zone has something to offer everyone.
